FROM STOPPED TO STAR™

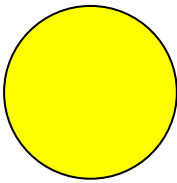

An Organizational System to Keep your Career or Job Search on Track

STOPPED

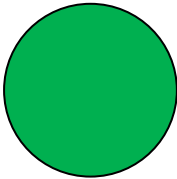

- ▶ **in your job search efforts**
by being unable to find what you need in all that paper?
- ▶ **in your business development activities**
by forgetting to follow-up?
- ▶ **in growing your career**
because you're too busy at work to plan for tomorrow?

STALLED

- ▶ **in your job search efforts**
by not returning calls or pursuing leads?
- ▶ **in your business development activities**
by an inability to quickly see a visual summary of all your efforts?
- ▶ **in growing your career**
because you have a limited internal or outside network?

GET GOING

by learning the FROM STOPPED TO STAR™ system.

- ▶ **Created & taught by a national award-winning recruiter & her IT staff.**
- ▶ This ½ day seminar shows you how to unleash the organizational strength lying dormant in your Outlook software to keep on track with your career.
Note: This system works equally well with other CRM programs, including ACT.

SO THAT YOU CAN BE A STAR

- ▶ **gaining that “perfect fit” job or next career move up NOW.**

▶ **INSTRUCTOR:** Kathy Graham has spent 15+ years in executive search as a senior recruiter. Her accomplishments include: earning the “First Year Achiever” award plus during her entire 6 year tenure always ranking in the top 5-15% out of 2,500 recruiters nationally with her first firm; receiving the “Rookie of the Year” award at her second firm; winning in just 5 years every single national award a recruiter could achieve in the last firm with whom she worked before beginning her own company, a record that was achieved in an executive search firm that employed over 2,500 recruiters. In addition to a track record of always being a star recruiter, she has an MBA in Finance, Analytic Finance, and Econometrics & Statistics from the University of Chicago and a BA in Business Administration and Marketing from North Central College.
